

Opportunity Overview

This is not intended and could never be a comprehensive list of every opportunity that might be available to you. It is intended to give your imagination a nudge - what aligns and chimes with your sense of purpose?

Copyright © Rupert W Brown 2026

Giving freely of your time to work with a group of people to achieve real world outcomes that furthers a cause you support.

Keepers of the Jedi Temple

If your family isn't too dreadful (you know what I mean), this is about looking for opportunities to spend more time with them and do more things together.

Family

Meals together
Activities done together
Helping each other out
Holidays taken as a group
Develop a family history archive

To engage in activities specifically intended to address your lack of intimate connection. This is about finding that "special person".

Dating

A huge number of people resort to on-line dating sites. Although not without danger, they do seem to be successful for some people.
Meeting somebody through a club.
Speed dating. Singles holiday.
Singles night at the pub.
Getting to know your cousin very well.

Coming together with a group of people to organise activities to raise awareness of and money to support an issue the group feels passionately about - to effect change.

Campaigning

Political position.
Environmental campaign.
Effect change in a law or regulations.
Raise awareness of a disease.
Stop or encourage the development of an area.

This is a thing that is unique to you. You love doing it and your passionate about it. (Hopefully it's legal).

Your thing

What can you do to get other people to join your thing and so develop your relational connections?
